a Notary Public in and for said County, State of Texas, on this day personally appeared _____

H. W. Hill -

Who, after being by me duly sworn, on oath deposes and says:

On November 26, 1963, the F.B.I. took property and evidence which had been seized in connection with arrest of Lee Harvey Oswald, for assassination of President Kennedy, to their office in the Bartle Building. I accompanied the agents and property to the F.B.I. office, and I was present when Agent Warren C. Dowdrey checked each item, called the name of item and description off to their stenographer who typed the descriptions on Police Property Room official invoice or receipt sheets. An invoice sheet #11192-41 it is owed they had picked up from the Dallas Police Department: one-Sinon Camera, one Pedometer, one Chronos, one Green Self Light, one lens in hood, one Fifteen Power Telescope, Mailenack, one Stereo Viewer, one pocket knife in leather container, a photograph, No. 373 was taken of the above articles.

Quite some time later, several weeks, an agent of the F.B.I. came to the property room and referred to our invoice #11192-41 and stated they did not get the camera as shown above, that they got only the Sinon Light Meter. He requested that I note on invoice #11192-41 his statement regarding the Sinon Camera. I did so note. I do not remember the name of the agent who came to the property room and made this request. I did not write his name down.
